### **MARCH HIGH HAND GIVEAWAY**

1. Beginning March 1 through March 31, 2026 ("Designated Dates"), each day, The Venetian Poker Room will award the player with the highest qualifying hand in any participating game a High Hand Giveaway of two hundred dollars (\$200). The Qualifying Period will begin at 10:00 a.m. on March 1, 2026, and continue every thirty (30) minutes until 1:30 a.m. daily on the designated days ("Qualifying Periods"). The player to achieve the highest hand in each Qualifying Period will be paid two hundred (\$200) in Casino Chips ("High Hand Giveaway"). The Qualifying Period and hands reset every thirty (30) minutes. The last Qualifying Period will be from 1:30 a.m., and the final payout will be at 2:00 a.m. daily.
2. Winner is permitted to add any portion of the High Hand Giveaway to their current chip stack. Once one (1) hand is played after Winners receive their High Hand Giveaway, standard table stakes rules apply.
3. To qualify for the High Hand Giveaway, a player must show a hand that is stronger than the currently posted High Hand. Only a full house or higher will qualify. The current qualifying hand may be announced and/or posted.
4. To be considered part of a Qualifying Period, a qualifying hand must be tabled by the player, and the hand must be complete prior to that Qualifying Period ending. Otherwise, if applicable, the hand will be considered part of the next Qualifying Period.
5. It is the player's responsibility to alert the dealer of a qualifying High Hand during any Qualifying Period. Any potential High Hand that is not brought to the attention of the dealer or a supervisor during the Qualifying Period for which the hand was tabled will result in that High Hand being null and void. The player who had the potentially winning High Hand will forfeit any portion of the High Hand Giveaway for the Qualifying Period in dispute.

6. Any player who is deemed by poker management to intentionally stall playing their hand in order to progress their potential high hand to the next Qualifying Period leaderboard may have their potential high hand disqualified, may be asked to leave the poker room for the day, and may have their playing privileges revoked altogether. These concerns should be brought forth by players to poker management in real time so we can investigate, monitor, and resolve as needed to protect the integrity of the promotional pool.
7. There must be at least a minimum of four players dealt in at the beginning of the hand in order to qualify for the High Hand Giveaway.
8. A qualifying hand can use any five card combination, provided they use both cards in their hand. It doesn't need to be the best five card hand. The player must win the entire main pot for which the qualifying hand was dealt.
9. In the event that there are no qualifying hands during a Qualifying Period, then there will be no Winner for that High Hand Giveaway, and the funds will remain in the Promotional Pool.
10. Winner must be present at the conclusion of the Qualifying Period. If Winner is not present, the High Hand Giveaway will be forfeited. Forfeited High Hand Giveaways will remain in the Promotional Pool.
11. Winners must present a valid ID and a Venetian Rewards card to collect the High Hand Giveaway. High Hand Giveaway will be forfeited if Winner refuses to provide a valid ID and a Venetian Rewards card. Forfeited High Hand Giveaways will remain in the Promotional Pool.
12. If Winner is willing but unable to produce a valid ID and a Venetian Rewards card at the conclusion of the Qualifying Period, they will have seven (7) days to claim the High Hand Giveaway at the Poker Room Cage. High Hand Giveaway will be forfeited if Winner does not provide a valid ID and Venetian Rewards card within seven (7) days. Forfeited High Hand Giveaways will remain in the Promotional Pool.
